At Wound Care Connects, we are dedicated to delivering comprehensive wound care services tailored to the specific needs of our patients. Our skilled team excels in treating a variety of wounds, such as:

- > Surgical wounds
- > Pressure ulcers/sores
- > Diabetic wounds/neuropathic wounds
- > Venous stasis ulcers
- > Arterial wounds
- > Traumatic wounds
- > Burns
- > Non-healing wounds (wounds that won't heal)
- > Slow-healing wounds

We aim to provide effective and compassionate care to promote healing and improve the quality of life for our patients.

## Benefits Of Our Program

- > **No Cost for Eligible Patients :** Dressings are covered by insurance, ensuring no cost to the facility or Home Health Agencies (HHAs) and Skilled Nursing Facilities (SNFs).
- > **Optimized Outcomes and Reduced Costs :** We are dedicated to optimizing patient outcomes while reducing overall costs.
- > **Latest Innovation in Wound Care :**
  - Integration of bedside physician expertise with precise order & delivery of medically necessary dressings.
  - Ensures no delays in care.
- > **Efficient Communication and Coordination :**
  - Notes are received by each HHA and SNF within 24-48 hours.
  - Physicians review progress during weekly consults and adjust treatment as needed.
  - Regular assessments of patient outcomes are conducted, with evidence-based changes to care plans and dressing orders as required.
